TO: Team Representatives
SUBJECT: Team Directory Information

When filling out the “Team Directory Information Form”, please adhere to the following:

US LACROSSE TEAM ID NUMBER:

Teams without a US Lacrosse Team ID Number should go to the bottom of the “Home” Page of the ALL website. The link there will take you to the page on the US Lacrosse website where you can apply for the ID number. Perform steps #1 and #2. You can perform #2 even though you don’t have an ID Number you can still do this step.

TEAM “LOCATION”:

The name of the town and the state where your team is located.

The team “location” information is very important. The directory is posted on the League website. Prospective players who go to the site want to know where teams play, not where the team reps live.

JERSEY COLORS:

If you have two sets of jerseys, indicate the color that you prefer to use as #1 and your alternate color as #2, or if you use the different colors for “home” and “away” indicate that.

Put in a SINGLE PRINCIPAL COLOR for your jerseys, not “blue/white” or “blue with red trim”. Just “blue” will be enough. Color of numbers is NOT NEEDED.

TEAM WEBSITE: Indicate the URL if you have a website,

ADDRESSES:

A “regular” address is needed for the reps in addition to e-mail addresses. There are some forms, etc. that cannot be sent by e-mail. **If for security reasons you do not want to list your address you need not comply.**

PHONE NUMBERS:

List only the ones that you want to have posted in the directory so the League and member teams can communicate with you.

Cell numbers are very important because officials and visiting teams might want to contact you on the day of a game when they are traveling to your field.

Fax numbers are no longer needed now that the League is using e-mail.

E-MAIL ADDRESS: List one e-mail address for each representative.
